This policy is a requirement under the National Code 2007, Standard 7. Groves Christian College, as a registered CRICOS provider, must ensure students who are enrolled in its accredited courses are aware of the process to place a request for a transfer between registered providers.

1. RESTRICTIONS ON TRANSFER BETWEEN REGISTERED PROVIDERS

Overseas students are restricted from transferring from their principal course of study for a period of six months. This restriction also applies to any course(s) packaged with their principal course of study. Exceptions to this restriction are:

Students can apply to the International Student Coordinator for a Letter of Release at no charge to enable them to transfer to another education provider. However, if a student has not completed the first six months of the principal course of study or is under 18 years of age, conditions apply.

Groves Christian College will only provide a letter of release to students before completing the first six months of their principal course in the following circumstances:

- b. It has been agreed by the College the student would be better placed in a course that is not available at Groves Christian College.
- c. Any other reason stated in the policies of Groves Christian College.

Students under 18 years of age MUST also have:

- d. Written evidence that the student's parent(s)/legal guardian supports the transfer
- e. Written confirmation that the new provider will accept responsibility for approving the student's accommodation, support, and general welfare arrangements where the student is not living with a parent / legal guardian or a suitable nominated relative
- f. Evidence that the student is always in Department of Immigration approved welfare and accommodation arrangements.

Groves Christian College will NOT provide a letter of release to students before completing the first six months of their principal course in the following circumstances:

- a. The student's progress is likely to be academically disadvantaged
- b. Groves Christian College is concerned that the student's application to transfer is a consequence of the adverse influence of another party
- c. The student has not had sufficient time to settle into a new environment in order to make an informed decision about transfer

- d. The student has not accessed College support services which may assist with making adjustments to a new environment, including academic and personal counselling services
- e. College fees have not been paid for the current study period.

3. CONDITIONS REQUIRED BEFORE APPLYING FOR A LETTER OF RELEASE

In order to apply for a letter of release, all students must first have a letter of offer from the receiving provider.
