The assistance may be claimed at a reduced Service fee or at the end of the financial year. Every family regardless of their income is entitled to apply for this assistance.

The Child Care Rebate covers 50% of out of pocket expenses up to a maximum amount each year. The Child Care Rebate is not income tested. If you are claiming Child Care Benefit you are eligible for the Child Care Rebate if you meet a "work study test". If you meet the "work, training, study test", you will be eligible for Child Care Rebate (CCR).
